

DETECTIVE BUREAU

Welcome to the Matawan Police Department Detective Bureau. The Detective Bureau is comprised of 3 veteran members of the Matawan Police Department. Each member of the Detective Bureau is dedicated, tenacious, and committed to the citizens of Matawan. While larger agencies can afford to have units of officers specialized in different crimes, the Detectives in our division have to be skilled in all areas. They attend many schools and seminars each year to keep abreast of the latest investigative techniques on everything from lifting fingerprints to collecting specimens for DNA analysis. As with most law enforcement agencies, our Detectives carry a heavy caseload. In spite of this, they review all cases that come across their desks. The Detective Bureau works towards the Matawan Police Department Mission Statement's goal to provide a safe community.

Each Detective has received advanced training in the following areas:

Interview and Interrogations, Narcotics, Environmental Crimes, Juvenile Offenses, Evidence and Identification, Computer Crimes, Crimes Scene Processing, Property Recovery, Bias Crimes, Megan's Law Registration, Background Investigations, Surveillance Assignments, School Programs, Firearm Permits and ID Cards, Search Warrants, Terrorism, Forfeitures, Liquor Licenses, Press Releases and Internal Affairs.

The Detective Bureau is staffed five days a week from 8 a.m. to 11 p.m. Monday to Friday. An "on call" Detective can be activated any time the need arises. Members of the Detective Bureau have investigated criminal activity ranging from homicides down to petty thefts. The most common crimes investigated include Robbery, Burglary, Theft, Identity Theft, Assaults, Narcotics and Credit Card Fraud. The Detective Bureau can be reached at 732-290-2032. After business hours, please call police dispatch at 732-566-1010. Fax number: 732-566-4038.
